## Steam Thresher.

We are handling the Geiser Engine and Separator.

This Machine differs somewhat from other machines. botter has a device which prevents the water from becoming low in going down or up hill, keeping the crown sheet and flues covered, prevents them from being burned out. The

Separator has no sieves or anything to bother in changing from one kind of grain to another, which can be done without stopping the machine. If you re thinking of buying write or call on us, and we will send catalogue, which explains the machine thoroughly. We propose to start all machines sold by us, and see that everything is in good order. Remember if you buy of us you will not have to wait for an expert two or three weeks. We will give you the best outlit ever sold in Custer county. We can also assist in getting a competent engineer. Can give such instruction as will enable any person of ordinary ability to run an engine in a few days. We are prepared to do Lathe Work and most anything that can be done in an ordinary Machine Shop.

Rumors are again affoat that we will be on the briny deep in fifteen days or so. There was also a rumor that Aguinaldo had surrendered just before we reached Polo; and we cheered and drank the last drop of precious brandy. He gave us a great part of his ammunition behind breastworks, and we were out the brandy that we had so generously let the colonel, major and lieutenant sample, and had to drink water with frogs in it.

We are growing big; all have foraged off the country; chickens, water melons, rice, pork, bananas, musk melons, mangoes and beno (a wine.) A little porker and rice is very fine for breakfast, washed down with a swig of beno.

"Three Little Maids in Blue" was sweetly rendered last night by Mr. Brent Hatton, and eminently en joyed by all those present and not present. He also sang the latest, "The Guard House Song," and promised us something that was not over six months old in America at the next assembly. Lieut, Osborn sang "The Girl I Left Behind me," and Lieut. Talbot, a soloist of much talent, sadly sang "Forget Me Not." Horace Ken nedy did "Paradise Alley," and W. S. Flick, by special permission, was allowed to sing "My Honolulu Lady." The evening was greatly enjoyed by everyone.

We received our magazines, etc. Please do not furnish any salmon at our reception when we return.
